TRANSMITTAL SHEET FOR
NOTICE OF INTENDED ACTION

Control No. 360 Department or Agency Alabama Fire College and Personnel Standards Commission

Rule No. 360-X-15.01

Rule Title: Incipient Industrial Fire Brigade Member

New Amend Repeal Adopt by Reference

Would the absence of the proposed rule significantly harm or endanger the public health, welfare, or safety? Yes

Is there a reasonable relationship between the state's police power and the protection of the public health, safety, or welfare? Yes

Is there another less restrictive method of Regulation available that could adequately protect the public? No

Does the proposed rule have the effect of directly or indirectly increasing the costs of any goods or services involved and, if so, to what degree? No

Is the increase in cost, if any, more harmful to the public than the harm that might result from the absence of the proposed rule? No

Are all facets of the rulemaking process designed solely for the purpose of, and so they have, as their primary effect, the protection of the public? Yes

Does the proposed rule have an economic impact? No

If the proposed rule has an economic impact, the proposed rule is required to be accompanied by a fiscal note prepared in accordance with subsection (f) of Section 41-22-23, Code of Alabama 1975.

Certification of Authorized Official

I certify that the attached proposed rule has been proposed in full compliance with the requirements of Chapter 22, Title 41, Code of Alabama 1975, and that it conforms to all applicable filing requirements of the Administrative Procedure Division of the Legislative Reference Service.

identified in the Teaching Outline either as specified levels of excellence and/or time evaluation. At the end of each learning experience, as the candidate performs the evaluations or skills as identified in the instructor guide, the evaluator shall record the results of the candidate's performance on the progress report.

3. There will be an examination for state certification provided by the Alabama Fire College and Personnel Standards Commission.

4. No person may be re-examined without complying with all requirements set forth by the Alabama Fire College and Personnel Standards Commission. This includes a learning experience in each subject area and successful completion of local subject area examinations. To be re-examined in the state certification written examination at this level does not require a re-examination of the manipulative skills portion if the individual has passed this portion. A candidate may re-take the examination for a level of certification one (1) time after 30 days, and not to exceed 12 months, from the date of the first examination.

5. The ~~industrial fire brigade~~ certification expires one (1) year from the date the person leaves the fire brigade.

6. All certification testing, to include re-testing, must be completed within 12 months of the course completion date.

(2) Administration

(a) Scope

1. This standard identifies the professional levels of competence required of the Incipient Industrial Fire Brigade Member.

(b) Purpose

1. The purpose of this standard is to identify the minimum requirements of professional competence required for service as an Incipient Industrial Fire Brigade Member.

2. It is not the intent of this standard to restrict any jurisdiction from exceeding these minimum requirements.

(c) General

1. Each of the performance objectives for the Incipient Industrial Fire Brigade ~~m~~Member shall be performed swiftly, safely and with competence. Each objective shall be met in its entirety.

2. The brigade member shall meet all of the objectives for Incipient Industrial Fire Brigade ~~m~~Member as outlined in the Teaching Outline before being certified at that level.

3. It is not required for the objectives to be

Fire College

Chapter 360-X-15

mastered in the order they appear. The Alabama Fire College and Personnel Standards Commission shall establish the instructional priority and the training program content to prepare individuals to meet the performance objectives of this standard.

(3) Objectives

(a) The objectives of this standard are based on the ability of the Incipient Industrial Fire Brigade Member to demonstrate knowledge and skills as outlined in the Alabama Fire College and Personnel Standards Commission Teaching Outline for Industrial Fire Brigade Member, current edition.
