80-10-9-.15 **Record-Keeping Requirements.** A permittee who engages in professional work or services shall keep complete and accurate records of all work performed including copies of contracts, if issued. Records shall be maintained for a period of ~~one (1)~~ three (3) years, except for pesticide use records, which shall be kept for a period of ~~one (1)~~ three (3) years from last date of treatment or ~~one (1)~~ three (3) years following its contract expiration date, or as required by EPA, and shall include the following:

- (1) Name and address of property owner, or authorized agent and the name and address of permittee.
- (2) Type of professional work or services performed.
- (3) Date on which the professional work was performed.
- (4) If applicable, pesticide use records as follows:
 - (a) Name of pesticide used,
 - (b) Amount of pesticide used, and
 - (c) Uses to which pesticide was put including:
 1. Site on which used,
 2. Common name(s) pest(s) being controlled, and
 3. Date of pesticide application.
- (5) Such records shall be available for examination by the commissioner or his authorized agent during reasonable business hours.
