TRANSMITTAL SHEET FOR  
NOTICE OF INTENDED ACTION

Control No. 360 Department or Agency Alabama Fire College and Personnel Standards Commission

Rule No. 360-X-7-.01

Rule Title: Certified Emergency Vehicle Driver

X New               Amend               Repeal               Adopt by Reference

Would the absence of the proposed rule significantly harm or endanger the public health, welfare, or safety?         Yes        

Is there a reasonable relationship between the state's police power and the protection of the public health, safety, or welfare?         Yes        

Is there another less restrictive method of Regulation available that could adequately protect the public?         No        

Does the proposed rule have the effect of directly or indirectly increasing the costs of any goods or services involved and, if so, to what degree?         No        

Is the increase in cost, if any, more harmful to the public than the harm that might result from the absence of the proposed rule?         No        

Are all facets of the rulemaking process designed solely for the purpose of, and so they have, as their primary effect, the protection of the public?         Yes        

\*\*\*\*\*

Does the proposed rule have an economic impact?         No        

If the proposed rule has an economic impact, the proposed rule is required to be accompanied by a fiscal note prepared in accordance with subsection (f) of Section 41-22-23, Code of Alabama 1975.

\*\*\*\*\*

Certification of Authorized Official

I certify that the attached proposed rule has been proposed in full compliance with the requirements of Chapter 22, Title 41, Code of Alabama 1975, and that it conforms to all applicable filing requirements of the Administrative Procedure Division of the Legislative Reference Service.

360-X-7-.03.04 Certified Fire Apparatus Operator: Aircraft  
Rescue and Firefighting  
360-X-7-.04.05 Certified Fire Apparatus Operator: Mobile Water  
Supply

360-X-7--01 Certified Emergency Vehicle Driver

(1) Requirements

(a) The candidate must be at least 18 years of age.

(b) The candidate must possess a valid driver's  
license.

(c) Examination. There will be an examination for  
state certification provided by the Alabama Fire College and  
Personnel Standards Commission.

1. An overall score of 70% is required for the  
successful completion of this examination.

2. Re-test may be taken after 30 days and within 12  
months of course completion.

3. All certification testing, to include re-testing,  
must be completed within 12 months of the course completion  
date.

(2) Administration

(a) Scope. This standard identifies the professional levels of competence required to perform the duties of an Emergency Vehicle Driver.

(b) Purpose. The purpose of this standard is to specify, in terms of performance objectives, the minimum requirements of professional competence required for service as an Emergency Vehicle Driver.

1. It is not the intent of this standard to restrict any jurisdiction from exceeding these minimum requirements.

2. This standard shall cover the requirements for operators of emergency vehicles.

(c) General

1. The candidate shall meet all of the requirements for this standard before being certified as an Emergency Vehicle Driver.

2. Each performance objective for the Emergency Vehicle Driver shall be performed swiftly, safely, and with competence. Each objective shall be met in its entirety.

3. It is not required for the objectives to be mastered in the order they appear.

(3) Objectives

(a) The objectives of this course are based on the ability of the Emergency Vehicle Driver to demonstrate knowledge and skills as outlined in the Alabama Fire College and Personnel Standards Commission Teaching Outline.

360-X-7--01.02 Certified Fire Apparatus Operator: Pumper

(1) Requirements

(a) The candidate must be a Certified Fire Fighter I or Certified Volunteer Fire Fighter.

(b) The candidate must possess a valid driver's license.

(c) The candidate must successfully complete the  
Emergency Vehicle Driver course.

~~(e)~~(d) Examination. There will be an examination for state certification provided by the Alabama Fire College and Personnel Standards Commission.

~~1. The practical skills identified in the Apparatus Operator: Pumper Teaching Outline for this level of training should be utilized by the candidate and by the instructor to prepare the candidate to the level required to meet competency standards identified in the instructor guide as specified levels of excellence and/or time evaluation. At the end of each learning experience, as the candidate performs the evaluations or skills as identified in the instructor guide, the evaluator shall record the results of the candidate's performance on the progress report.~~

~~2-1.~~ An overall score of 70% is required for the successful completion of this examination.

~~3-2.~~ Re-test may be taken after 30 days and within 12 months of course completion.

~~4-3.~~ All certification testing, to include re-testing, must be completed within 12 months of the course completion date.

(2) Administration

(a) Scope. This standard identifies the professional levels of competence required to perform the duties of an Apparatus Operator: Pumper.

(b) Purpose. The purpose of this standard is to specify, in terms of performance objectives, the minimum requirements of professional competence required for service as an Apparatus Operator: Pumper.

1. It is not the intent of this standard to restrict any jurisdiction from exceeding these minimum requirements.

2. This standard shall cover the requirements for operators of fire department pumpers.

(c) General

1. The candidate shall meet all of the requirements for this standard before being certified as an Apparatus Operator: Pumper.

2. Each performance objective for the Apparatus Operator: Pumper shall be performed swiftly, safely, and with competence. Each objective shall be met in its entirety.

3. It is not required for the objectives to be mastered in the order they appear.

(3) Objectives

(a) The objectives of this course are based on the ability of the Apparatus Operator: Pumper to demonstrate knowledge and skills as outlined in the Alabama Fire College and Personnel Standards Commission Teaching Outline for Fire Apparatus Operator: Pumper, current edition.
